TBI  
Driver Alternate

# Community Interactions (towns with larger populations)

- 1-2 weeks before:
  - Provide overview to:
    - Local RWB Chapter Captains, Wounded Warrior leadership
    - News outlets
    - Local government representatives
  - Establish meeting point (Park or other venue with space)
  - Identify individuals impacted by RWB (Chapter Captains)
  
- Day of Event:
  - Truck arrival and setup:
    - RWB/UHP/Wounded Warrior informational table
    - Record RWB tribute interviews, commercials
  - Cyclists arrive 30-60 minutes later
    - Meet and Greet
    - Safety instructions for those who want to roll with cyclists
  - Cyclists depart
  - Area cleanup and truck departs

# Preparation is Key - Equipment

# More Preparation – Training Log

| Training Day         | Date     | Miles *       | Moving Time  | Avg Moving MPH | Notes                                            |
